Email: singhshubh2231@gmail.com
Mobile: +91-9098059953

SKILLS

- **Languages:** C++, Python,HTML,CSS
- **Frameworks:** Scikit-learn,NumPy, Pandas,Keras
- **Tools/Platforms:** Leetcode , GitHub , Google Colab,
- **Soft Skills:** Problem-Solving, Collaboration, Time Management, Attention to Detail, Quick Learning

PROJECTS

BiLSTM-CRF Based NER for Noisy OCR Land Records	April 2025
• Developed preprocessing pipeline to mitigate OCR noise and textual inconsistencies • Extracted key legal entities from land records to support digital governance and document automation • Implemented deep learning–based sequence labeling using BiLSTM with CRF for domain-specific NER Tech: Python, Tokenization, NLP, OCR post-processing	
Automated Student Attendance System for Colleges	April 2025
• Developed a student face attendance system for automated attendance marking in colleges. • Applied data preprocessing and facial feature extraction to improve recognition accuracy. • Implemented and evaluated supervised ML models using distance metrics for reliable student identification. Tech: Python, OpenCV, NumPy, Pandas, Scikit-learn, Machine Learning, Face Recognition	
Student Recommendation System	March 2025
• Built an ML-based system that recommends suitable academic subjects based on student profile and performance • Implemented Random Forest classifier for prediction using 16 student features • Performed data preprocessing, label encoding, and feature selection for model training • Developed an interactive UI using Streamlit for real-time recommendations Tech: Python, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn, Streamlit	

TRAINING

Full Stack Training — Lovely Professional University	June 2025-July 2025
• Completed structured training in React.js and Node.js, covering key frontend and backend basics. • Built mini full-stack projects using REST APIs, routing, state management, and modular UI design. • Worked with backend APIs for data handling, request–response flow, and basic authentication logic	
Industrial Training — Raymond Limited (Textile Division, Chhindwara)	June 2024
• Gained hands-on exposure to IT Department process, real-time workflows, and industry-level system. • Demonstrated strong professional discipline with punctuality, sincerity, and consistent work ethic. • Developed understanding of corporate work culture, professional ethics, and communication standards	

CERTIFICATES

• Cloud Computing - Elite Certificate, IIT Kharagpur, NPTEL	October 2025
• Computational Theory: Language Principle & Finite Automata Theory by infosys	July 2025
• Web ka Hackthon – Hack Quest by blockseblock	March 2024

EDUCATION

Lovely Professional University	Punjab, India
• Bachelor of Technology - Computer Science and Engineering; CGPA: 7.33	August 2023 - Present
Little Step English High School	Borgaon, MP
• Intermediate; Percentage: 64.8%	April 2021 - March 2023
Kailashpat Singhania High School(Raymond Ltd)	Vijaygram, MP
• Matriculation; Percentage: 84.9%	April 2020 - March 2021
